Dear Eric

On behalf of everyone at Mercedes AMG High Performance Powertrains (HPP) and Mercedes-Benz, we would like to thank you once again for the significant contribution that you have made towards our success in the 2017 Formula One season, allowing us to become the first team to defend its titles across a major technical regulation change.

The Silver Arrows F1 W08 powered by the AMG F1 M08 EQ Power+ has won 12 races, achieved 15 pole positions, 26 podiums and has allowed Lewis Hamilton to become the all-time record holder for pole positions.

We value your hard work and efforts to support our team which enables our achievements. Please pass on our personal thanks to everyone in your team who has contributed to this success.

Our target is to further improve the performance and the reliability of the Power Unit to become even stronger for the 2018 championship challenge and we look forward to your continued support.

Yours sincerely

Andy Cowell
Managing Director
