Dear Eric

On behalf of everyone at Mercedes AMG High Performance Powertrains (HPP) and Mercedes-Benz, we would like to thank you for the contribution that you have made towards our success in the 2021 Formula One season, allowing us to win the 8th consecutive World Championship title and breaking another World Record. No other Team in the history of Formula One has achieved this.

The Mercedes-AMG F1 W12 E Performance powered by the Mercedes-AMG F1 M12 E Performance scored 613.5 points winning 9 races and totalling 28 podiums.

2021 was an exciting racing season, full of emotion and challenges on and off the track. We could not have achieved these results without your hard work, dedication and passion.

We appreciate and recognise the support and the efforts of your staff members, so please pass our personal thanks to each and every one in your team who has contributed to this success.

As always and more than ever, our focus is to further improve the performance and the reliability of the Power Unit to become even stronger for the forthcoming 2022 championship challenge.
